

Legacy Giving

Create a Lasting Impact For Youth

> Why?

Including TRAC (Transition Resource Action Center) in your will or estate plan ensures that your compassion and commitment continue to change young lives for years to come.

A bequest is one of the simplest and most meaningful ways to make a lasting difference. It costs nothing today and allows you to support TRAC's mission beyond your lifetime.

Your gift can:

- Sustain TRAC's housing, education, and employment programs for youth aging out of foster care.
- Provide resources for emergency support, counseling, and life skills training.
- Build a permanent legacy of care and opportunity in North Texas.

> How?

You can include TRAC in your estate plans by adding a simple bequest statement to your will or trust.

Sample Bequest Language:

"I give to Transition Resource Action Center (TRAC), a 501(c)3 nonprofit organization organized and existing under the laws of the State of Texas, with the principal business address of 3108 Live Oak, Dallas, TX 75204, and federal tax identification number 92-1587776, the sum of \$_____ (or _____% of my estate, or a description of specific property) for its general purposes."

Next Steps:

1. Consult your attorney or financial advisor
2. Share TRAC's information with your advisor
3. Notify TRAC of your plans (optional but appreciated) to help us honor your generosity
